FOOD GRADE PACKAGING DECLARATION

We received your request for assurance that Clearwater Paper Corporation paperboard products are “food grade material”.

We confirm that all paperboard products manufactured by Clearwater Paper Corporation comply with FDA requirements for “food contact end-use”.

Specifically, our paperboard products comply with the following sections in Title 21 of the Code of Federal Regulations:

- **21 CFR 176.170** which lists substances and their limitations which can be used as components of paper and paperboard in contact with aqueous and fatty foods
- **21 CFR 176.180** which lists substances and their limitations which can be used as components of paper and paperboard in contact with dry foods.
